Medical Goggles

Product: Medical Goggles
Brand: Shenzhen Aurora

Face Shield With Protective Film

This light-weight face shield with protective film has an anti-fog and anti-static treatment, plus it is free of latex, fiberglass, and distortion. The headband relieves pressure on the forehead, and the mask stays securely in place with the attached stretchable band. Please note: this mask is only used against liquids and dust. The face shield is not impact resistant, and not to be used as protection against open flames or sparks. Sold in a pack of 100 masks.

Colors: Clear

Face Shield Made Of Food Grade Clear Plastic

This shield provides a barrier directly in front of one's face. Can be used in combination with respirators, goggles and other protective gear.
